

Barbeque Pics May 2009

That couldn't have been planned any better! Great weather, great food and around 200 hundred staff made their way down to the barbeque on their lunches and others were treated to delivery service.

The winners from the contest advertised in May's edition of the "UNITED TIMES" was drawn at the barbeque by our members.

1st Prize – Michelle Williams (Keg certificate and t-shirt)

2nd Prize – Cherry Parker (OPSEU sling bag)

3rd Prize- Bev Connell (OPSEU sling bag)

Special thanks and compliments to our cooks Paul Carnaroli and Brian Bangay. You guys are awesome and the food was delicious!

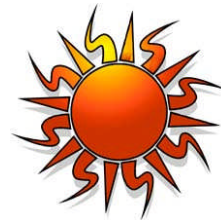

Thanks to Rae who got us some tunes and all volunteers who helped make this barbeque and info session a huge success!
